

Transport

Navnirman College of Nursing has an important service component in the form of a transport facility completely managed by our institution. Pick and drop facility from hostel, clinical areas are arranged as per the timings of college curriculum with one nursing tutor always in bus travelling with the students. In order to cover all the clinical areas of different cities like Ratnagiri, Sangmeshwar, Devrukh and Burambi near community villages etc. Our bus drivers are highly experienced and are licensed by the RTO to drive college buses to ensure utmost safety of both the students & staff members. Also bus facility is available for the students & faculty members for their industrial visits, hospital visits, field trips, and other recreational activities of students.
